MOMENTUM DAYS

We used to sing a hymn in the church entitled, "Onward, Christian Soldiers!" That hymn really spoke to a generation of people who literally saw their young men and women "marching as to war." Not so much anymore. For most of us, war is something that we may see on TV or Social Media, but it always happens to someone else, somewhere else.

There is a line in that beloved hymn that I would like to take a moment and ponder today. I don't want you to think about the war we are to be marching off to, or the battle we are called to fight in, or the enemy that must be defeated. For just a moment I want you to ponder the simple line that says, "Like a mighty army, moves the church of God."

What might it feel like for you and I to see those words come true in our day. For the beloved Church of God, filled with Christian Soldiers, to actually find itself "on the move." Would that fill one of your deep-seated desires? I will tell you this, it won't happen at the command of one general, standing at the head of this army and barking out the command, "March!" It will only happen when individual soldiers get themselves up off the couch and in motion for the Kingdom.

It is the desire of the Sunday School department to encourage a little bit of that to happen in our church with a program called, Sunday School Momentum Days. We hope you will be able to join us for all or part of those moments as we gain some momentum in our church by "Establishing, Strengthening and Engaging Our Faith."

Hope to see you on September 11, 18 & 25 for Sunday School Momentum Days or any Sunday at Sunday School! Check out the flyer in this newsletter and let's get this church of God on the move.
