### **"CHILD OF MY HEART"**

**In a few days Charlotte and I will have a bundle of joy in our home. We...are...expecting...a visit from our "adopted" granddaughter. She is eight years old and has no Callister blood in her veins, but she is definitely a child of our hearts. We met her when she was one and have loved her ever since.**

**When we take her back to her mom, we will park the camper at our son's place. He is thirty years old and has no Callister blood in his veins either, but he is definitely a child of our hearts. Charlotte took him home from the hospital three days after he was born, and we gave him our love and our last name.**

**You may never have adopted a child or grandchild but if you have ever taken a new pet into your home, you have experienced the beautiful process of attaching your heart to someone, or something, new. Every time we do that, we prove that the heart is big enough to love just one more.**

**In scripture we see that God is in love with the process of adoption also. In places like Ephesians 1:3-14 or Romans 11:11-24 we are told that those who love the Lord will be adopted as children of God and that we will be ingrafted branches to God's great family tree.**

**If you love the Lord, you never have to feel like a second-class citizen. When He looks at you He doesn't see your waywardness, He doesn't see your failures, He doesn't see your lack of pedigree. He looks at you and says, "There goes a child of my heart."**
