Prayer For The Dandelion

by Rev. Mark A. Callister

**Thank you God for the Dandelion
With it's large yellow flower,
Whose plant tries to consume my yard,
Whose destruction consumes my hours.**

**Each Spring it descends and covers my world
With yellow buds and white tassels.
The neighbors don't like when the wind starts to blow
'Cause in the end they receive my hassles.**

**But of all flowers You've given to earth,
Not one is given more in love
Than the droopy little dandelion;
A blessing sent down from above.**

**So next Spring when the plague appears again
Send Your sun and morning dew,
I'll endure the plant so I can hear the words,**

"Mommy, I picked this for you!"

Happy Mother's Day!

A MOTHER'S *Love*

There's no love like a mother's,
Her heart is filled with care.
With Christ as her example,
Her Savior's love she'll share.

A mother's love is endless,
Not changing for all time.
When needed by her children,
A mother's love will shine.

God bless these special mothers,
God bless them every one.
For all their tears and heartaches,
And special work they've done.

When days on earth are over,
A mother's love lives on,
Through many generations,
God's blessings on each one.

Be thankful for our mothers,
Who love with higher love,
From power God has given,
And strength from up above.

CONGRATULATIONS, CLASS OF 2020!

**Heavenly Father,
Thank you for each one of these young men and
women who are graduating. We pray that you
surround them with your love and grace.
Bless them with hope, so that they move into the
future with eager and open hearts. Help them to
put the knowledge, skills and insights gained
through their education to use for God and their
fellow man. Inspire them to believe in you even
when faced with challenges and difficulties.
As they go on with their lives may they grow in
your wisdom and grace and be grateful for all you
have done for them.**
